1. The date of the next tender for the collection and disposal of clinical and offensive waste?

6. Annual Tonnage or Volume for Clinical Wastes

The Trust is unable to provide a response to this query.

This is because providing the tonnage/volume of waste in conjunction with the contract value, discloses granular details that if release will place our current and future providers at a disadvantage, creating unfair market competition.

The Trust therefore rely on exemption Section 43 of the freedom of Information Act 2000, to deny this aspect of your request.
