

FOI 0227/2025 Response

**Request for Information Regarding NHS-Funded Admissions and Discharges at
Priory Hospital Cheadle Royal – 2022**

I am writing as a member of the public to formally request information relating to NHS funded mental health patients admitted to and discharged from Priory Hospital Cheadle Royal during the calendar year 2022.

Specifically, I would be grateful if you could provide the following information:

- 1. The total number of NHS-funded patient admissions to Priory Hospital Cheadle Royal in 2022.**

12 admissions in 2022.

- 2. The total number of NHS-funded patient discharges from the hospital in the same period.**

10 discharges in 2022.

- 3. If possible, a breakdown of admissions/discharges by:**
 - Referring NHS Trust or commissioning body**
 - Type of ward or service (e.g., general adult, CAMHS, PICU, rehabilitation)**
 - Average length of stay**

For patients discharged in 2022, the average length of stay was 60.4 days.

All patients were in Psychiatric Intensive Care Unit (PICU) beds, and were placed by Birmingham & Solihull Mental Health Foundation Trust.
