

FOI 0228/2025 Response

Request

Thanks for your email.

The contract registers list only 50 contracts. Could you kindly confirm if this represents the total number of contracts held by the organisation?

Response

The 50 contracts provided for FOI 0144/2025 are all of the contracts visible to the the Trust's external Procurement Team for the purchase of goods and services.

Please note that there are some contracts, mainly ones relating to services, that the Trust's external Procurement Team do not manage nor have visibility of them.

These types of contracts usually lie with the Trust's contract management team.

Please find attached the additional list of contracts.
