

## **FOI 0289/2025 Response**

### **Request**

Please could you provide the name and contact information of your procurement team that deals with interpreting and translation requests?

Clarification: I would need the email that deals with the interpreting and translation contract.

### **Response**

We are unable to provide the main name and contact details for the individual that deal with the interpreting and translation contract.

However, we can provide a generic contact email address:
