

FOI 0328/2025 Response

Could you please tell me under Freedom of Information laws:

- 1. How many patient meals at the trust were returned uneaten in the 2024-25 financial year?**

We do not collate information for uneaten meals.

We collate unserved plate food waste however this will be difficult to determine per meal, as it's a collective weight for each ward and therefore not reflective of what is being asked.

- 2. How many patient meals at the trust were returned uneaten in the 2023-24 financial year?**

Please refer to the response provided for Q1.

- 3. What is the average cost to the trust of each patient meal?**

Average cost per meal is £6.68.
