

FOI 0332/2025 Response

Request

Good afternoon,

Under the Freedom of Information act please can I request the following information:

- Contact name for the doctor mess within the trust
- Contact email for the doctor mess within the trust
- Postal address for the doctors mess within the trust
- Contact name for the nurses mess within the trust
- Contact email for the nurses mess within the trust
- Postal address for the nurses mess within the trust

Clarification: I would like the contact details for lead of the doctors/nurses mess area.

Doctors / nurses mess is a dedicated area in a hospital or healthcare facility where doctors / nurses can rest, socialise and work during breaks.

Response

As a community Trust with over 50 sites, we do not have one dedicated site where doctors are based and therefore do not have a doctor's / nurses mess.
