

## **FOI 0362 2025 Response**

### **Request**

To whom it may concern,

I am writing to request information under the Freedom of Information Act 2000 regarding the cost of freezer equipment.

I would be grateful if you could provide the following information:

1. In the last 3 years, has the Trust spent funds on purchasing or upgrading freezer equipment used for biological tissue storage.
2. If yes, please provide the total amount spent.

If you require any clarification to process this request, please let me know.

### **Response**

Please note that Birmingham and Solihull Mental Health Foundation Trust explicitly provide mental health services and do not provide physical healthcare like an Acute Trust.

Your request for information is therefore not applicable to the Trust.
