Response

Please refer to the attachment for requested information and note:

- An exemption Section 40 of the Freedom of Information Act 2000 has been applied to the Trust's Complaints Policy and PSIRF Policy. This therefore means that staff members names and signatures have been removed as we do not routinely share staff members personal information.
- The Trust's Fitness to Practice Policy is currently under ratification and we are unable to share this policy until it has been approved. The Trust relies on exemption Section 22 of the Freedom of Information Act 2000, to deny this aspect of your request as disclosure is intended for future publication.
