

FOI 0404/2025 Response

Request

Dear Birmingham and Solihull Mental Health NHS Foundation Trust, Please provide:

The number of formal complaints, PALS queries, or concerns received that reference:

- Conversion therapy
- Identity change
- Reducing unwanted same-sex attraction
- Discouraging a patient's expressed gender identity
- Withholding or discouraging gender-affirming care on non-clinical grounds.
- Any resulting investigations or outcomes (fully anonymised).

Response

There have been NIL (0) complaints related to the aforementioned concerns.
