

## **FOI 044/2026 Response**

### FOI 044/2026 Response

I am writing with a request under the Freedom of Information Act. Specifically, I would like to ask the following:

1. In the financial year 2025/26, how many patients at the hospitals in your trust were prescribed tirzepatide (Mounjaro) for weight management?
  - 3 patients prescribed tirzepatide in line with national guidance and special national commissioning arrangements (initiated in primary care).
  - 2 patients prescribed tirzepatide for clozapine-induced weight gain.
