Birmingham and Solihull Shared Care Record

Birmingham and Solihull Mental Health NHS Foundation Trust works with other health and social care organisations to share information that will form part of your Shared Care Record. The Shared Care Record allows health and care professionals involved in your care to view your records to help them understand your needs and make the best decisions with you, and for you. Information we hold about you will be available, to read only, to other health and care professionals in Birmingham and Solihull, Coventry and Warwickshire, and Herefordshire and Worcestershire when they are involved in your health or social care.

For more information on how your data is used on the Shared Care Record and how to exercise your rights, please see the full Privacy Notice or copy and paste this link:
